Negotiated Contract  
2017 - 2018**

**Article I  
Agreement**

This agreement entered into by the Board of Trustees of School District No. 261 (hereinafter referred to as the Board) and the Jerome Education Association (hereinafter referred to as the Association), is pursuant to the laws of the State of Idaho, and the fore-named parties agree to as follows:

**Article II  
Grievance Procedure**

A complaint is an assertion by an employee that there has been a violation, misinterpretation, or inequitable application of district policies, regulations and procedures, existing laws, or other actions that adversely and directly affects the employee and/or his/her work.

It is the intent of this procedure that employee complaints will be identified and corrected at the earliest possible time, and at the lowest level of supervision.

Complaint processing should be viewed as a positive and constructive effort which seeks to establish the facts upon which the complaint is based and to come to a fair conclusion. Employees will not be discriminated against nor will reprisal be attempted against an employee because he/she filed a complaint.

**Procedures**

Complaints will be processed according to the step-by-step procedures outlined below:

1. **Working Site Level 1**
  - a. A complaint will be presented orally and informally to the immediate supervisor (i.e. Athletic Director, Department Head, Assistant Principal). If the complaint is not promptly resolved, it will be reduced to writing and submitted to the immediate supervisor. A copy of the complaint will also be submitted to the superintendent by the complainant.
  - b. Within five (5) work days of receiving the complaint, the immediate supervisor will render a decision, in writing, to the complainant and the person or persons originally involved in the complaint.
  - c. (If applicable) After receiving the decision at Step b, the complainant may appeal the decision, in writing, to the appropriate director, principal, or administrative assistant.
  - d. The supervisor will, within five (5) workdays of receipt of the appeal, investigate and render a decision, in writing, to the complainant, the immediate supervisor, and to the person or persons originally involved in the complaint.

  - b. The superintendent, or official designee, will, within ten (10) workdays of receipt of the appeal, investigate and render a decision, in writing, to the complainant, the principal, or immediate supervisor, and to the person or persons originally involved in the complaint.
  
3. **Advisory Committee Review Level 3**
  - a. After receiving the decision at Level 2, the complainant may appeal the decision, in writing, to the superintendent or official designee, requesting a District Grievance Advisory Committee review. (The District Grievance Advisory Committee shall consist of four (4) district employees: 1) the superintendent, 2) one member selected by the aggrieved employee, 3) one member selected by the person the grievance

is being filed against, 4) and the fourth member being selected by the original three committee members.) The superintendent will be an ex-officio non-voting member of the committee. If the superintendent is party to the original complaint, a suitable replacement will be determined by committee members.

- b. The District Grievance Advisory Committee, will, within ten (10) workdays of selection, investigate and render a decision, in writing, to the complainant, and to the person or persons originally involved in the complaint.

- b. The Board will schedule the matter for a hearing within 20 workdays following receipt of the appeal.
- c. The Board will render a decision within 10 workdays after the hearing and such decision will be deemed final.

**Article III  
Sick Leave**

- A. At the beginning of each school year, each professional employee shall be credited with ten (10) days of sick leave allowance.
- B. Professional employees employed on a part time basis or for part of a school year shall receive a prorated portion of the annual sick leave.
- C. The unused portion of such allowance shall accumulate from year to year without limit.
- D. Sick leave is to be used for absences caused by personal illness or emotional upset by accident or illness or circumstances which render the employee incapable of carrying on his/her teaching duties, including child bearing.
- E. Professional employees shall be allowed to use sick leave when such absence is due to illness of a member of the individual's immediate family. The immediate family is considered to be spouse, children, father, mother, brothers, sisters, grandchildren, grandparents, or the same relatives of one's spouse.
- F. A teacher who is unable to teach because of personal illness or disability and who has exhausted all sick leave available may be granted, upon written request, a leave of absence without pay for the duration of such illness or disability up to one year, and the leave may be renewed each year by the Board upon written request of the teacher.

**Article IV  
Sick Leave Bank**

Each full-time certificated employee of the district may participate in the Sick Leave Bank. To participate, each employee shall contribute two (2) of his/her earned sick leave days. Sick leave days thus contributed shall be deducted from the individual's sick leave entitlement. The contributed sick leave days shall form a fund of sick leave days that will be available to all eligible participating certificated employees upon recommendation of the Sick Leave Bank Committee for the purpose of alleviating the hardship caused by the absence from work due to illness or disability which extends beyond the employee's accumulated sick leave.

Application for use of the Bank shall be submitted to the Sick Leave Bank Committee for its recommendation. The Committee shall review the request and determine the eligibility of the employee. If the Committee deems necessary, it may require proof of illness at the time of application and from time to time after a grant has been made.

In order for a professional employee to be eligible for sick leave benefits from the Bank, the employee must first:

1. Be a contributor to the Bank; and
2. Have been absent from work due to illness or disability for:
  - a. All his/her personal accumulated sick leave days; and
  - b. All personal leave days.

A person choosing elective or cosmetic surgery will not be eligible for Sick Leave Bank benefits because the decision of when to have such surgery is the individual's choice.

To be eligible for a Sick Leave Bank grant during any school year, each eligible employee must become a Sick Leave Bank member no later than October 1, or within thirty (30) days following initial employment, as is appropriate.

If the Sick Leave Bank is exhausted during any one school year, it shall be re-established by a 30 day voluntary new contribution as established in Article IV.

The maximum number of days that may be granted to an eligible participant will be sixty (60) days per school year (August –June).

In no instance should the number of Sick Leave Bank days granted exceed the number of days absent from work due to illness or disability.

Bank grants to individual employees will not be carried over from one fiscal year to another. All such grants will terminate at the end of the school year. If a certificated employee does not use all of the days granted by the Bank, the unused sick leave days will be returned to the Bank.

The Sick Leave Bank shall be governed by a committee consisting of five (5) members appointed by the District Administration and approved by the Association. The Committee shall develop and distribute rules and procedures for the orderly administration of the Bank. The Committee shall also be responsible for reporting to the District Office the names of contributors and the number of days contributed. The Committee shall be responsible for reporting all days granted to any certificated employee by the Sick Leave Bank and any other information necessary to maintain an adequate accounting of the operation.

A teacher must hold a Professional Endorsement as described in Idaho Code to receive the educational allocation. Any new hire to the district will not be placed in the Grandfathered Cohorts. Experience Steps 15 and 20 will now be referred as Grandfathered Cohorts A and B respectfully. No movement will occur between Grandfathered Cohorts A and B.
- G. **Extracurricular Stipend Schedule - 2017-18** - Teaching staff will be given priority for extra pay positions. When qualified teaching staff is not available, positions may be filled with non-staff members.
1. If two or more teachers agree to work a position rated for a single individual and this is approved by the administration, the stipend will be split in a manner agreeable to the teachers involved.

Year Two	\$28,329	Year Seven/Eight	\$31,637

  6. If an assistant coach moves to head coach of another sport, entry will be at the beginning of the extracurricular stipend schedule.

- I. The Jerome Joint School District No. 261 Board of Trustees agrees to work toward an Idaho School District median salary and fringe benefit package in subsequent years and is committed to bringing this school district into line with state school districts of like size, regarding such benefits, as quickly as practicable and as recurring revenue sources are available. The district is anxious to work with and through existing education coalition organizations in an effort to convince state legislators of the importance of this effort. It must be recognized, too, that the welfare of classified employees, and the need for property maintained, well supplied schools is an important issue.
- J. Furthermore, in compliance with Article XI, Duration of the Negotiated Agreement, paragraph two, if windfall revenue is received by the district by actions of the state legislature, the district will agree to reopen negotiations for discussion of teachers' salaries.
- K. The district agrees to reimburse out-of-pocket expenses for costs to take exams required to become certified in the State of Idaho for all new and veteran teachers hired from out of state, such as the PRAXIS and the Idaho Literacy Exam. During its term this Agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in written and signed amendment to this Agreement. Any individual teaching contract between the Board and an individual employee in the bargaining unit heretofore or hereafter executed shall be subject to and consistent with the terms and conditions of this Agreement.
